## LOCAL PASTOR AND CHARITY RECENTLY HONORED BY PALM SPRINGS MAYOR

PALM SPRINGS—Dr. Robert C. Sneed, Pastor of Rebirth Temple of Faith and Alicia Hollins, Director of THE EIGHT Foundation were recently honored with a Certificate of Recognition from the City of Palm Springs.

"It is an honor to recognize Families On The Frontline (FOTF) on behalf of the citizens of the City of Palm Springs for the tremendous work they do through their programs that are positively contributing to the health and wellbeing of families in our community," says Mayor Ron Oden presenter and keynote speaker of the event. The Mayor also added, "Families On The Frontline-ArkAlmighty Acts-of-Kindness provides a positive influence to families and individuals in the Coachella Valley." Other guest speakers included Lanita Tademy,

Project B.L.I.S.S. and surprise acknowledgement from Bishop Noel Jones, Noel Jones Ministries.

"Families on the Frontline programs combined with ArkAlmighty "Acts-of-Kindness" offer the opportunity to show sincere Love without measure, replace negative experiences with positive

experiences, opens the door for families who are in lack to feel more comfortable to ask for help due to our less intimidating, non-discriminating settings. Partnerships will play a valuable role in the long-term success of Families On The Frontline programs in the Coachella Valley," says Dr. Robert C. Sneed.

Alicia Hollins, adds, "There are so many wounded people out there pleading to be restored. Each second, some one that may very well be the "defining moment" which may affect their future and others around them makes a choice. FOTF assist individuals through a holistic foundation, to achieve sustenance in all areas of their lives. FOTF embraces individuals as "family" not like a traditional agency. In the past year, we have serviced over 2,750 individuals without grants or government funding."

## DESERT CHRISTIAN NEWS LAUNCHES NEW TV STUDIO

and volunteers have worked faithfully over the past 3 ½ years to provide the Coachella Valley with uplifting Christian news and information via newspaper, radio and television. In response to their faithful stewardship, God has proved His own faithfulness through His Holy provision. Recently, the Lord provided a studio for the Desert Christian News Television program. "We have been praying . . . about funding to rent (and build a studio)," Susan Miller explains. God answered the DCN team's prayers by moving in the hearts of local Christians. "About three months ago someone came forward and volunteered to rent the space for us," Susan said.

convenient central location to produce the weekly DCN television program. For the past year, DCN has rented a local hotel ballroom each month and filmed several episodes at one time. "(Having our own) facility will enable us to shoot shows weekly instead of trying to film and edit several shows at one time. Plus it gives us more flexibility to work with guests' schedules," Susan said.

Also, having their own television studio means that DCN can now move forward and launch Desert Christian Productions. Desert Christian Productions will be a separate production division of the DCN whose sole purpose will be to provide media resources to local, small nonprofit ministries and churches. "When we started Desert Christian News TV our goal

was to focus on the positive things happening in the local Christian community. It has been wonderful. And we have met so many gifted and talented folks that have an interest in producing weekly Christian television programming, but they don't have the knowledge, staff or finances to produce their own programs. In addition to filming Desert Christian News TV at the new studio, we hope to utilize the facility . . . to help produce local Christian programming that can 'fill the airwaves with the Good News.' The possibilities are endless. Desert Christian Productions will open a whole new world for Coachella Valley Christian programming.

### CALIFORNIA

Society has undergone dramatic social, demographic and economic changes in this century that have deeply affected youth and their families in this country. Families are critical in the physical and social development of children and we know that when families falter, children suffer.

Rebirth Temple of Faith and THE EIGHT have joined forces to work toward restoring Coachella Valley families and assist young adults and at-risk individuals with a holistic approach to achieve and retain success in all areas of their lives through "Families on the Frontline." Their programs work to transform infamy into community through service and the arts.

"Families on the Frontline" provides programs that are a conduit to self-sufficiency and desires to become a leading model of healthy, strong families and individuals by developing a community of charity, inspiration, sanctuary, diplomacy and prosperity. Their programs have proven effective through directing attention and resources to meet the needs of the family and individuals.

"Families on the Frontline-Ark Almighty Acts-Of- Kindness" provides a positive influence to families and individuals in the Coachella Valley.

On-going education, life management skills, resources, and support for young adults, their families and individuals, are necessary for a holistic quality of life; and

On behalf of the citizens of the City of Palm Springs, California, it is an honor to recognize:

People are now letting down their guards because they see us out there doing what we can to help. We sincerely want to make "the" difference in their lives first by listening then by restoring. We are currently seeking financial support for FOTF programs and funding will come. Until then we will continue our grass roots approach because today's issues need to be addressed TODAY each second a choice is made by some one that may very well be the "defining moment" which may effect their future and others around them."

U. S. Probation Officer

111 N. La Brea Room, 209

Dear Ms. Jackson:

I am inviting Alicia Hollins to accompany me, Ruth Davis, and my ministry outreach group "Mountain Climbers for Jesus" to Houston, Texas; Little Rock, Arkansas; and New Orleans Louisiana for a gospel concert tour in celebration of Veterans' Day. We leave Los Angeles on November 2<sup>nd</sup> – returning November 12<sup>th</sup>. This gospel music tour gives us an opportunity to give glory and praise to our Lord and Savior, Jesus Christ as we honor our retired men and women in the United States Armed Forces.

We want to thank them for their service to our country and their unselfish sacrifice, gift of loyalty and dedication to us as American citizens. This is our 11<sup>th</sup> Year in providing this activity for our troops and each year it has grown and now has become a great event for them to look forward to.

This year we are blessed will a special treat for them – because two of our youth, my daughter and grand-daughter will be joining us. I'm sure you can envision what a thrill it will be for the elderly in the hospitals and nursing homes when they look up and see our youth and those young smiling faces coming for a visit in praise and song. This celebration is also a wonderful time of relaxation – with many opportunities for quite reflection and meditation as we travel.

I am proud of Alicia. She has really proven herself to be worthy of a good and successful life. She's really genuine and I see her efforts to contribute to the less fortunate. I've witnessed her grow from the challenges she was faced with when our ministry first assisted her in Puerto Rico to her current victories over life's circumstances. Many will benefit from her testimony. I pray for your approval of this request and respectfully accept your decision to decline.

May God bless you richly in carrying out your responsibilities in the job you have to perform daily.

Sincerely,

Ruth Davis

Dear Deputy Commissioner:

Sir, I am the Senior Case Manager for Friends Outside in Los Angeles County, Inc. I am writing to provide a recommendation for Alicia R. Hollins, a unique client who was referred to our offices by Gloria Stephens-Clark a representative of Mayor James K. Hahn.

Friends Outside- founded in 1974 in Los Angeles County is a 501 (c) (3) nonprofit organization serving as a bridge between families, inmates, and community, to break the cycle of crime. We service ex-offenders by assisting them in making a successful transition into society.

My role as Senior Case Manager is to interview each client to assess their needs and goals. More than 90% of inmates are released to the community in less than six years. At least 80% become repeat offenders unless rehabilitation and the opportunity for betterment are available.

Alicia Hollins has an upbeat attitude and amazing determination that seems contagious to everyone she meets.

During my interview with Ms. Hollins, we reviewed all of the numerous Certificates of Completions and Awards that she was given throughout the course of incarceration for "being of service".

Ms. Hollins expresses the need to be an asset to the community and to make a positive change. I am very impressed with Ms. Hollins' sincere desire to "give back". Alicia Hollins is working with fervor to re-gain her place in society and refuses to contribute to the 80% of ex-offenders that return to prison.

Ms. Hollins has successfully passed both the Real Estate Principles and the CA Salesperson exam within 2 months. She has worked as a telemarketer at night in order to study for these exams with the goal of attaining a R.E. Salesperson License.

Commissioner, in consideration of my client's successful rehabilitation and continued growth, I feel comfortable and confident in saying that Alicia Hollins will be a positive contribution within the real estate industry if provided the "opportunity". Ms. Hollins is a part of the 10% who realize it takes hard work, integrity and perseverance to achieve success and has earned the right to "a second chance".

To Whom It May Concern:

This letter serves as a personal and professional recommendation in favor of granting Alicia Hollins a real estate salesperson license. My recommendation is based on nine (9) months of working very closely with Ms. Hollins on mortgage related matters. Ms. Hollins has demonstrated many talents during that time which will serve her well in this field. These skills include an extreme dedication to educating herself on the mortgage industry, outstanding customer service, and a very positive, yet determined attitude. Of her many favorable qualities, I am most struck by her personal integrity and ethical standards. It is very rare to find an individual who holds herself to such a high standard both in her personal life and in her career. This genuine concern has earned her the trust and confidence of the most difficult of clients, and establishes the groundwork for long-term relationships.

At a time when the mortgage industry is receiving governmental attention due to negligence and wrongdoing, I do not make this recommendation lightly. Ms. Hollins has proven to me that aside from being honest, she always goes the extra mile to act in the best interest of her clients. It is therefore my firmest belief that Alicia Hollins would be a great asset to the mortgage industry, and if granted her license will gain a stellar reputation as a knowledgeable, fair minded and honorable salesperson.

Please feel free to contact me at (310) 722-1972 should you require any further information.

*Dear Deputy Commissioner,*

*I am pleased to write this letter on behalf of Alicia Hollins. Alicia is a very reliable, trustworthy, devoted Christian, who is place on this earth to do good. I know Alicia extremely well. We were raised in the same household with the same values. These values are still in Alicia; I know her and I see these values still living in her. I would not have spent as much financial support or time with Alicia if she was not the wonderful person she is today.*

*I trust her not only with all I have, but I have recommended my friends and colleagues to her as well.*

*It will serve her community well if she (by your Grace) is given the opportunity to again become a gainfully employed contributing citizen in the field she has chosen. Alicia is not a gamble on your part. I personally know you will not regret it. You may call upon me if at anytime you feel she is not the BEST.*

*Thank you for your time.*

***RE: ALICIA HOLLINS - 106-0425-014***

Dear Ms. Felix,

I have had the privilege of knowing Alicia Hollins for two-years. Our meeting came as a result of our membership to the same church. We both were apart of an outreach ministry that focused on re-entry services for men and women exiting prison. It was at this time that I was able to witness the high-level of technical skills, enthusiasm, and responsibility in which Alicia possesses. At the same time, I also witnessed a woman who is spiritual, compassionate and trustworthy, and carries out her commitments with vigor and resolve.

In writing you this recommendation, I hope to persuade you of one thing: to review Ms. Hollins application with interest. She is a rare find. If you need to contact me, please call 323. 293-4618. I am happy to answer any concerns.

Sincerely,

Dear Mr. David Juarez:

I am writing to provide a recommendation for Alicia R. Hollins, a unique client who was referred to our offices by Gloria Stephens-Clark a representative of Mayor James K. Hahn.

Friends Outside- founded in 1974 in Los Angeles County is a 501 (c) (3) nonprofit organization serving as a bridge between families, inmates, and community, to break the cycle of crime. We service ex-offenders by assisting them in making a successful transition into society.

My role as Senior Case Manager is to interview each client to assess their needs and goals. More than 90% of inmates are released to the community in less than six years. At least 80% become repeat offenders unless rehabilitation and the opportunity for betterment are available.

Alicia Hollins has an upbeat attitude and amazing determination that seems contagious to every one she meets. During my interview with Ms. Hollins, we reviewed all of the numerous Certificates of Completions and Awards that she was given throughout the course of incarceration for "being of service".

Ms. Hollins expresses the need to be an asset to the community and to make a positive change. I am very impressed with Ms. Hollins' sincere desire to "give back". Alicia Hollins is working with fervor to regain her place in society and refuses to contribute to the 80% of ex-offenders that return to prison.

Ms. Hollins has successfully passed both the Real Estate Principles and the CA Salesperson exam within 2 months. She has worked as a telemarketer at night in order to study for these exams with the goal of attaining a R.E. Salesperson License. (Keeping in mind the estimated study time for the Sales Exam is around 60 hrs and the failure rate on the State Exam for all applicants statewide is consistently around 50%)—it is obvious that Ms. Hollins is serious.

Part of her motivation is her deep concern for her Mother—who has been recently diagnosed with Chronic Heart Disease and the beginning stages of Alzheimer's disease. Alicia would like to be able to take care of her mother and be able to provide proper treatment and care for her. Therefore, Ms. Hollins told me that she had to find a career that would enable her freedom and opportunity to legally make a substantial income- and also taking into consideration her age and time away while incarcerated. The company Ms. Hollins is working for has opened the door for her to become a Loan Officer. Ms. Hollins is doing everything that is required; however, she is still somewhat limited. Her supervised released court order of 5 years is restricting her from being all that she can become within the real estate industry.

Mr. Juarez, I feel comfortable and confident in saying that Alicia Hollins is completely rehabilitated and has already become a positive contribution within the community. She is an extremely responsible individual and a pioneer. Ms. Hollins is a part of the 10% who realize it takes hard work, integrity and perseverance to achieve success and has earned the right to complete freedom.

Your decision in recommending Alicia Hollins to be released from supervision will play a crucial part to her future success. If you have questions or need anything further, please feel free to contact me at: (323) 249-9683, ext. 101.

Sincerely,

Samuel Spicer, Jr.

To the Real Estate Licensing Board:

My name is Dedra Dixon and I'm writing on behalf of Alicia Hollins. As a Product Manager for local Software Company in Los Angeles, I have run across many people in my professional career and I consider my meeting with Ms. Hollins as a highlight of my career. Through our meet, I have had the opportunity to know her both professionally and personally and I'm truly honored to be able to speak on her behalf.

Having the opportunity to work with Ms. Hollins I have been able to see first hand her selflessness in aiding people to achieve their best. Whether it's a simple email that uplift's your spirits or a business contact that provides the missing link for helping you achieve your professional goals, Ms. Hollins gives 100% of her time, efforts and knowledge to assist all those she encounters. Ms. Hollins has not only helped me to overcome personal obstacles but she has also helped me to achieve professional success resulting in my recent promotion as Product Manager earlier this year. Without her sound professional advice, her words of encouragement and her business savvy, I can confidently say my success would not have come as quickly as it has.

I know you have probably received countless letters speaking on Ms. Hollins character and I hope that all those words will resonate in your thoughts as you make your decision to grant her a Real Estate license. In addition, I would like to offer some advice if you have any doubts about her character; before making a decision that would adversely affect all the countless people that would have benefited from her services, please contact Ms. Hollins personally and meet with her, talk to her, understand and know her like I do and I assure you that your decision will be sure and correct.

Should you have any questions or want any further information, please do not hesitate to call me as I am more than willing to do what I can to see Ms. Hollins is successful in all that she endeavors.

Respectfully,

Dear Deputy Commissioner:

I have practiced law in Texas for over forty years and have seen the gamut of individuals in all kinds of circumstances. It is my opinion that Alicia Hollins is a Person that has been down to the bottom, but with hard work, drive and determination can make it back to the top.

So many ex-felons fail, this woman will not. She is a single black female who has an unbelievable drive, caring personality and every reason to succeed if given the opportunity. The papers are full of what happens to ex-felons after they come back into society, they are blocked from jobs, not given opportunities and suffer greatly. This woman will not fail, I believe she will give to the community and be a role model we can all be proud of. The right thing to do is to give her the opportunity and watch her excel.

I am writing to you to recommend Alicia Hollins.

To Whom It May Concern:

This letter is a personal reference for Alicia Hollins who I have known all of my life. To grant her a real estate salesperson license would be a gift to anyone who would be fortunate enough to cross her path. My recommendation comes from forty-three (43) years of growing up in a very close knit family environment with Alicia. All of Alicia life she has demonstrated a sincere desire to be of service, from gospel singer to director of a non-profit organization--Alicia has always worked on giving back. This character trait alone would be a great asset in the field of real estate. Very rarely do you find a person with the integrity and commitment to volunteer and actually offer help when their own personal situation is in need of assistance. Alicia has always dedicated herself to finding ways to provide opportunities for others. Granting her a real estate license would provide her the best platform to continue being of service. Alicia has shown true desire and determination as demonstrated in her passing the real estate exam. That alone shows that she has what it takes to complete what she sets out to accomplish, coupled with her personal commitment to assisting others can do nothing but provide outstanding results.

If you need more recommendations I would ask that you meet Alicia and speak to her personally, I am confident that after meeting her you will be able to see that she possesses a sincere desire for a second chance and to make a positive impact in the community. It is this quality that has made me most proud to call her sister and friend.
